The Importance of a Coach

A leader, particularly a teacher or coach, has a most powerful influence on those he or she leads, perhaps more than anyone outside of the family. To me, it is the obligation of the leader, teacher, or coach to see such responsibility as a grave concern.

I consider it a sacred trust – helping to mold character, instill productive principles and values, and provide a positive example to those under my supervision.

Furthermore, it is a privilege to have that responsibility, opportunity, and obligation – one that should never be taken lightly.
